

Certificate No.:

0845-CPD-CX010102

EC-CERTIFICATE OF CONFORMITY

Issued by Danish Institute of Fire and Security Technology. Notified body No. 0845.

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

FireFree® ScandiBoard 850

for application as thermal insulation products (factory made calcium silicate (CS) products)

placed on the market by **Scandi Supply a/s**
Energivej 2
DK-5492 Vissenbjerg

and produced in the factory DK-7870 Roslev

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Danish Institute of Fire and Security Technology (*Dansk Brand- og sikringsteknisk Institut*) has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all the provisions concerning the attestation of conformity and the performances described in the ETA

European Technical Approval ETA-12/0231

(valid from 2012-04-17 until 2017-03-27)

were applied and that the product fulfills the prescribed requirements. For detailed information to the performance characteristics of the product, the ETA itself, mentioned above, should be consulted.

This certificate was first issued on **2013-03-05** and remains valid as long as the conditions laid down in the ETA-12/0231 in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
